

# DeuSComp Training Programme Challenge

(Macro and micro challenges)

# The DeuSComp Challenge

A unique predefined DeuSComp challenge has been developed so that learners can apply and demonstrate the knowledge gained during each lesson with micro lesson specific challenges:

***“The local authority has been donated funding by a local philanthropist (donor) for a collection of exhibitions to help promote social cohesion within the community”.***

- Beyond exhibitions, it is required to organize conferences, performances and workshops in order to engage different target groups and host other artists.
- You have been selected to manage the conception, planning and implementation of the exhibitions on behalf of the local authority.”

# DeuSComp Challenge

## WHAT & WHY

The local authority has been donated funding by a local philanthropist for a collection of exhibitions over 12 months to promote social cohesion within the community' and build shared values and sense of belonging

## PHYSICAL CONTEXT

No indoor space(s) ready to use

The transition phases of the exhibitions are an integral part of the creative process and should remain accessible to the public

The local authority requires that environmental impact and that accessibility of disabled audience are demonstrated

## SOCIAL CONTEXT

The local community does not spontaneously engage in cultural initiatives

Local associations do not tend to collaborate together

The local authority expects each exhibition to be as accessible as possible to all audiences in the community

## FINANCIAL CONTEXT

The donor has requested that an additional 20% of funding is sourced from alternative sources

## FUTURE VISION

The local authority has requested that a sustainable business model be developed to reproduce future initiatives

# DeuSComp Lesson 4 Micro Challenge

## Topic - The Importance of vision and strategy

Suitable for: *Group (preferred) & Individual work*

### **Vision and strategy exercise:**

Use your experience together with the tools and templates covered in the lesson to create a SWOT analysis for the project that covers the following topics:

execution - reaching the objectives - future sustainability

- Clearly identify for each topic alternative scenarios & mitigation measures
- Include specific focus on the importance of fundraisers and how to engage with them.
